Course Purpose

This course provides essential critical thinking instructional skills for those who teach within a law enforcement or public safety related training program. Students will learn through hands-on experience in a highly interactive environment. Completion of the POST Academy Instructor Certification (AICC) is highly desired for this course. This course also meets the tri-annual AICP recertification-training requirement for POST (AICP) Basic Academy instructors.

This course is for skilled instructors who are ready to take their teaching to a new level. Immediately upon completing this course, instructors will be able to modify their own classes to enhance and improve students' problem solving, creativity, and critical thinking.
